

## Flu Protection Products (Partial List)

### **PAWS Antimicrobial Wipes 100/bx**

Ideal for hand sanitizing when soap and water are not available. Formulated with PCMX and SD-alcohol for instant degerming. Towelettes also contain aloe vera to condition the skin. They are effective on gram-negative and gram-positive bacteria, kills 99.9% of germs within 15 seconds.

### **No Rinse Hand Sanitizer 4oz ea**

Condition and protect hands from exposure to bacteria and other germs. Antiseptic Bio-hand Cleaner takes 15 seconds to sanitize, without the need to rinse with water. Other sizes available.

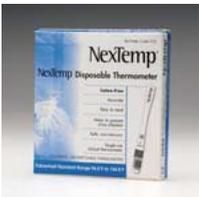

### **N95 Particulate Respirator 20/bx**

Meets NIOSH and CDC guidelines. As a respirator, meets CDC guideline for tuberculosis exposure control with filter efficiency of 95% or greater against particulate aerosols free of oils. Applications: Hospitals and healthcare facilities, police, fire and rescue teams, EMS/EMT, occupational health facilities, school healthcare offices.

### **Procedure Mask with Ear Loops**

Made with lightweight, breathable material, Procedure Masks with Ear Loops have a BFE of > 97% and a flexible nosepiece for comfort and fit. Latex-free.

### **Nextemp Single-Use Thermometer 100/bx**

Single-use clinical thermometers read in Fahrenheit only (96-104.8 degrees). Easy to read contrasting color pattern and embossed dots enhance visibility. Latex free. Individually sealed with normal storage conditions. Will not "fire" prematurely. Meets ASTM accuracy requirements.

### **Sani-Cloth® Plus Germicidal Disposable Cloth 160ct**

Sani-Cloth® Plus Germicidal Disposable Cloth. A non-woven disposable cloth for hard surface disinfection. For use on hard, non-porous surfaces and equipment made of stainless steel, plastic, Formica® and glass. Each cloth measures 6" x 6 3/4".

### **Non Latex Gloves 100/bx**

Made of specially engineered synthetic material which offers excellent sensitivity. These low powder, low mess gloves offer longer cuffs for extra protection. .004 mils thick.
